Example: Bet \$10 w/matchplay voucher at Main Street Station. If you win, you record +\$20 on the scorecard, If you lose record -\$10. You can continue to wager your winnings, but cannot add any additional funds. So if you win the initial \$10 matchplay & decide to bet the \$30 (\$10 + \$20 win) and win again, you would record a +\$60. If you lose it all you'd record a -\$10
